All Heads Turn When the Hunt Goes by: Amazon.co.uk: John ...

"All Heads Turn When the Hunt Goes By" represents a more developed example of the artist's work with televisual space. Very large samples of television imagery, collected through random channel-surfing for specific periods of time, were gradually compressed, reducing the original sample to a fraction of its original length. In "All Heads," the sampling period was 7 hours, representing the national average TV viewing time per person per day in the US at the time the work was produced.
