You cannot carry all the accessories alone. A helping hand is necessary in wedding photography. You also need someone to assist in managing the light, taking the test shots, and capturing the scenes you are missing.

How to Take Wedding Photos - Best Wedding Photography Tips

Candid styles of photography are increasingly becoming popular both in general day to day photography but also in formal photographic situations. Last time I was asked to photograph a wedding the couple actually hired me purely to take paparazzi style shows of them and their guests throughout the day. They had another photographer for the [...]

11 Tips for Better Candid Photography

A photographer (the Greek φῶς (phos), meaning "light", and γραφή (graphê), meaning "drawing, writing", together meaning "drawing with light") is a person who makes photographs.
