Feral is a book about rewilding by the British environmentalist George Monbiot. It was published by Allen Lane in 2013 with the full title Feral: Searching for Enchantment on the Frontiers of Rewilding. The book has also been published as Feral: rewilding the land, sea and human life. Monbiot looks at rewilding projects around the world. However, he pays particular attention to the scope for rewilding in the United Kingdom. He argues that overgrazing is a problem in the British uplands and calls
