Everything You Need to Know Before Buying a Mini Cooper S. The first-generation of the new Mini Cooper, or R53, is a hilariously fun hot hatch. Here's what you need to know before you get one.

Everything You Need to Know Before Buying a Mini Cooper S

Well this was cheaper than any stock unit I saw, and I had the dreaded #3 lead problem. Installed this along with the MSD wires, haven't noticed any difference in performance or economy, but there is the piece of mind component.

MINI Cooper S MSD Coil Pack - Madness Motorworks

The late model R53 MINI Cooper is a very popular car. Its size and weight make it an ideal candidate to go racing with. Although the MINI Cooper is already a very capable machine, the factory originally designed the MINI to appeal to the broadest range of customers possible and in doing so left open a window to improve the handling characteristics.
