This paper reviews the recent research and development of high-entropy alloys (HEAs). HEAs are loosely defined as solid solution alloys that contain more than five principal elements in equal or near equal atomic percent (at.%).

Microstructures and properties of high-entropy alloys ...

In this section we will introduce exponential functions. We will be taking a look at some of the basic properties and graphs of exponential functions. We will also discuss what many people consider to be the exponential function, $f(x) = e^x$.

Algebra - Exponential Functions

Item #: SCP-161. Object Class: Euclid. Special Containment Procedures: All three instances of SCP-161 are to be kept in separate containers in containment locker 34 Zeta.

SCP-161 - SCP Foundation

The DEP Business Portal is an open door for residents, local governments and the private sector to find information and transact business with the Florida Department of Environmental Protection.

Soil moisture generally refers to the amount of water stored in the unsaturated soil zone, although its exact definition can vary depending on the context, i.e. whether it is defined in relative, absolute or indirect terms, and depending on the reference storage (see Section 2).

Investigating soil moisture-climate interactions in a ...

I've got a table as the last object on the last page of a document, but there is a paragraph mark on the last page that I can't cut or delete, so

can't delete paragraph mark at end of document - Office Forums

Please use the Direct Query to search by selection of sequence properties or to search for small sequence motives of DNA or protein sequence. Please use the DNAPLOT Query for larger data sets.

VBASE2 - the integrative germ-line V gene database

The earliest instances of what might today be called genetic algorithms appeared in the late 1950s and early 1960s, programmed on computers by evolutionary biologists who were explicitly seeking to model aspects of natural evolution.

Genetic Algorithms and Evolutionary Computation

Definitions: Performance Pack is a software acceleration product installed on Security Gateways.

Performance Pack uses SecureXL technology and other innovative network acceleration techniques to deliver wire-speed performance for Security Gateways.
