Historical Background. The U.S. Army Field Artillery branch traces its origins to 17 November 1775 when the Continental Congress, unanimously elected Henry Knox "Colonel of the Regiment of Artillery".

### **Field Artillery Branch (United States) - Wikipedia**

This version of the old Army Field Manual was in a smaller format than the original Army Field Manual. Drawings and illustrations were simply reduced in size to meet the smaller format. In some

cases, the smaller version made the drawings more difficult to make out the necessary details.
